Newsletter 9 18<sup>th</sup> November 2016

Dear Parents and Carers,

We have had another busy week in school with some super work from all the classes. Chestnut class have also been put through their paces at The Weald and Downland museum, where they 'took over'! They each took on a role, such as gardening or working in the shop, and did a really good job. Our KS2 children are already immersed in preparations for our Christmas Production, Silent Night, which will take place on Wednesday 7<sup>th</sup> December at 2.00pm and Thursday 8<sup>th</sup> at 6pm. Tickets will be available on-line. Do check the dates below for our other Christmas events so that we can all enjoy this exciting time!

For most of our children, the highlight of this week has been our science show. On Tuesday 15th November we were very lucky to have a visit from Tim Harrison, a working scientist, who gave a demonstration and talk to the children about materials in the Earth's atmosphere. He showcased all the different gases and conducted different experiments with them. The demonstration was visually spectacular and interactive, really WOW science and the children loved it.

You will have received information about our **new on-line payments** system in school to enable you to book for trips and clubs etc. and make payments on-line.

Please do log in regularly and check for 'live' visits and events. Current trips available to book are Westgate swimming, Maple Weald & Downland visit, Chartwells Christmas Lunch, the French residential, and Mr Popper's Penguins.

Please do put the class **Open Morning dates** in your diaries, as these are the best way to find out how we teach key concepts. You won't be put on the spot – you will just be able to join in with your child in class! This half term we have **Beech Class Literacy on Tuesday 22<sup>nd</sup> and Chestnut Class Grammar on Wednesday 23rd November**. These are not suitable for younger siblings: if you would find a **crèche** useful for any of our Open Morning dates, please do let us know *in advance* and we will do our best to arrange this for you.

Strutt & Parker Estate Agents are running their annual **Charity Christmas Card Competition** again this year. For every entry received they will donate £1 to UK Youth Charity (ukyouth.org). The winner of the competition will receive a £50 book voucher, a framed copy of their design and £500 for their school. The winning design will be their corporate Christmas card. To enter you can collect an entry form from the school office - entries must be back to school by Wednesday 23<sup>rd</sup> November.

**Chartwells Christmas Lunch** - Tuesday 13<sup>th</sup> December. This must be ordered through school and not via mealselector, the day is blocked on their order form. R/Yr1/Yr2 parents, please let the office know if you would like a meal ordered. KS2 parents can book and pay on-line using Schoolmoney.co.uk. The deadline for us to place our order is Tuesday 22<sup>nd</sup> November - we will not be able to order any meals after this date.

Plants: Maple Class will soon be selling plants after school so bring your cash with you at pick up time!

### Please please drive and park safely.

DO NOT rush into the car park and drop children off without supervision or in the middle of the car park. You are putting your children at risk!

4 Match in Chichester. This means that you will be able to order your uniform on-line or call into their shop in Quarry Lane to try on and buy uniform there. They are open 7 days a week and have easy access and parking. We feel this will help us to improve the uniform service that we are able to offer by letting the 'experts' do a good job for us. It will also eliminate congestion in the reception when you need to purchase uniform and save space for us by not having to keep lots of stock of sweatshirts etc. We are confident that, although you may see a very small price increase in some items, the quality and service you receive will be excellent. This will happen for January but in the meantime, uniform will still be available to purchase from the school office. A list of uniform available from Game, Set & Match will be available shortly. We are also planning changes to our uniform in response to our Respect focus. We want our children to look as smart as pupils from other schools and we are planning some minor changes. These changes will be phased in from January onwards, when both styles will be worn. From September 2017, our new uniform will be fully in place: the major changes are that our logo will be embroidered, the sweatshirts will be V neck, and we will have ties for our older pupils. days a week and have easy access and parking. We feel this will help us to improve the uniform service that we are able to affer by letting the "experts' do a good job for us. It will also eliminate congestion in the reception when you need to purchase uniform and save space for us by not having to keep lots of stock of sweatshirts etc. We are confident that, although you may see a very small price increase in some items, the quality and service you receive will be excellent. This will happen for January but in the meantime, uniform will still be available to purchase from the school office. A list of uniform available from Game, Set & Match will be available shortly. We are also planning changes to our uniform in response to our Respect focus. We want our children to look as smart as pupils from other schools and we are planning some minor changes. These changes will be phased in from January onwards, when both styles will be worn. From September 2017, our new uniform will be lully in place: the major changes are that our logo will be embroidered, the sweatshirts will be V neck, and we will have ties for our older pupils.Class AssembliesThursday 24 <sup>th</sup> November Chestnut the school hall, 6.00-7.00, every Wednesday evening.
