### West Dean School PTA Swimming Club

We are pleased to say that the swimming pool will be up and running after half term. To make the most of the pool we would like to open it to the children whenever we can after school from 3:15 – 4:15pm (except Wednesdays when I will be offering a swimming club for the younger children, more info on this will follow). All of this is weather permitting of course!

To make this possible we need lots of people to help supervise the children. Each session needs two supervisors; one of these **MUST** have resuscitation/First Aid training. As with all these activities, the more volunteers we have, the more afternoons the pool could be open. If you think you could spare an hour or two please complete the form overleaf.

Parents resuscitation trained by school are: Louise Atkinson, Sarah Dobson, Andrew Hooper, Sue Goacher and Helen Court. Please tick below if you are interested in resuscitation training as Merrill is willing to organise another course if enough people are keen.

If you hold other suitable qualifications please indicate over the page.

Over the page is a list of dates we would like to be able to open the pool. Please **tick the dates you could help on** so I can draw up a rota, sharing the sessions out as evenly as possible. It would also help if you could indicate the maximum number of sessions you would like to do. Please check the school calendar as there are a number of events which may impact on your child e.g. Friday 6<sup>th</sup> June, GAS Music Gig 2pm-6.30pm for all KS2 children.

I would be grateful if you could return the forms to the school office by **Wednesday 21<sup>st</sup> May, at the very latest**, as I will be organising the rota that evening ready for swimming to start straight after half term. Our first day will be Monday 2<sup>nd</sup> June, which is an INSET day.

Many thanks, Sue Goacher
