Spring Term

Our friends and children have done an amazing job raising funds for our school last term. A huge thank you to our year reps and to every parent who has supported the school so generously with their time, donations, and enthusiasm.

Our Christmas market and other Christmas events were a fantastic success, raising approximately **£3,000** towards our new trim trail. We're now moving forward with grant and funding applications to help make this project a reality. We hope to have more news after Easter.

We are excited about the Spring events coming up. There will be a film night, a quiz in the Selsey Arms and Easter activities with a bake sale.

Every little bit of money helps so thank you!

A big thank you to our year group representatives.
