

Dear all,

I wanted to take a moment to say a big thank you to you and your team for all the hard work and long hours that went into the sports day and disco today. It was clear how much effort and planning went into making it such a fantastic day for the children.

My child came home absolutely buzzing with excitement and was full of stories. The sports day was well-organised, fun and inclusive, and the disco afterwards was the perfect way for them celebrate after a long day and year.

I also want to express my appreciation for all the hard work throughout the entire school year. The dedication and cheerful spirit of the teachers and staff have had a huge impact on my child's school experience. It's clear that everyone at West Dean goes above and beyond to ensure the children not only do well academically but also enjoy their time at school.

The positive and supportive environment you've created is very special. My child has grown so much this year, both in his studies and personally, and I know that's thanks to the amazing work you all do.

Thank you again for everything. Your hard work and dedication have made a big impact on my child and all his friends in Apple class.
