What we would like our Class Councils to discuss before the next meeting:

- Remind your class to look after our play equipment and to put it all away when the whistle blows.
- When this is being done, we may be able to use the new giant '4 in a row' game

Our school is a happy secure environment, which fosters a real enthusiasm for life and learning. Every person involved in our school is entitled to respect, security and consideration, and is valued for the contribution they make to the life of the school. We respect each other's rights.
